Dear Mr. Rudy:

Re: Request for Information, Topaz Mountain, Juab County, Utah

This letter is sent regarding your recent request for information dated September 23, 1988. You requested an address for the "Mineralogy Society of Utah." I contacted the Utah Geological and Minerals Survey and was given the following address:

Randy Howell, Editor  
9577 South Caledonia Circle  
South Jordan, Utah 84065

You also requested a brochure of the Utah State Mining. I am not certain if such a brochure exists. I would advise you to contact the Utah Geological and Mineral Survey with this request, or possibly the Utah Mining Association could help you locate said publication. The agency addresses are as follows:

Utah Geological and Minerals Survey

Salt Lake City, Utah 84108  
M. Genevieve Atwood, Director

Utah Mining Association  
Kearns Building  
Salt Lake City, Utah 84101  
Mr. Jack E. Christensen, President

Please contact us if we can provide you with any information regarding the State's permitting requirements for mineral exploration and mining activities in Utah.

Sincerely,

*D. Wayne Hedberg*

gotten from them  
to do any opal mining.  
I have the address
